The Palumbo Family Foundation desires to offer boys and girls the opportunity to thrive through educational and wellness grants. The pursuit of overall well-being serves to allow them to further their educations and careers.

Since its inception in December 2007, the **Palumbo Family Foundation** has provided more than \$57,000 in scholarships to area students and an additional \$37,000 to local organizations that focus on improving the quality of life for children and young adults.

In this challenging environment, the children of our communities need our help more than ever. Please aid the Foundation in its efforts of continuing support for the local community by joining us for an evening of bowling, billiards, food, beverage, and fun. There are numerous levels of giving to correspond with the resources of our sponsors.
